

Best Logo

- the total score divided by the number of votes is the average score for the logo

I evaluate logos in Google form, the participants evaluated the logo that they consider to be the best logo of the eTwinning project Literature without borders. The logo number 6 was rated with the highest average rating and was chosen by the participants as the best logo for the Literature without Borders project. Logo 6 was officially chosen as the logo of the project. Thanks to all participants.

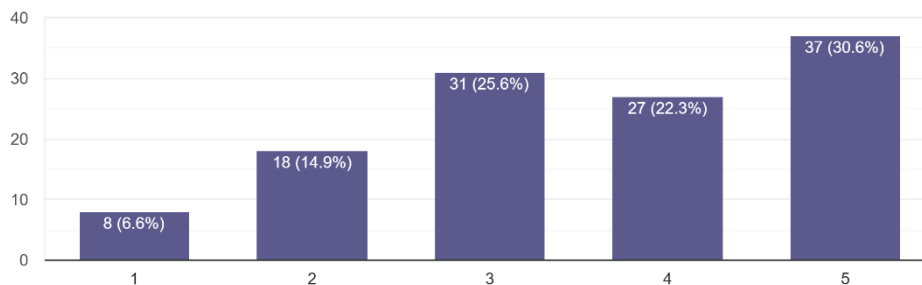

I congratulate the creators of the chosen logo!
